

Hey there!!

Thank you for considering Ritual Salad to handle your event!! We are a super small team and have to run a tight ship because of that, so here are a few things about our catering system:

- ☾ We gladly accept catering for orders of 10 people and over. We have laid out the choices for you above and if you have questions, we are more than happy to answer them for you. Please call Cori at 218-464-0246 for all catering questions.
- ☾ A non-refundable 25% deposit is required for ALL catering orders. And this is due upon booking.
- ☾ All final orders and guest numbers are due 7 days prior to the event, changes can be made up until this time. Final Payment is due at this time as well. (over the phone credit card payments will have a 5% credit card fee added because that's what they charge us for manual entry payments, but you are more than welcome to come in the store and pay with cc for 2%, and cash is queen and has no fee attached).
- We try very hard with allergy requests, however, there is ALWAYS a small risk of cross contamination.
- ☾ There is a \$1 per person charge for utensil packs and these must be pre ordered so we have time to make them for you.
- ☾ Catering orders can be pick up or delivery. Although, because we are so small, we do have a few blackout dates for delivery. We can discuss this during your quote. A fee will be charged for delivery and that charge is based on distance and drop off location.
- ☾ A 15% gratuity is added to all orders. This goes to my employees, who are awesome. We make everything in house and will prepare your catering order with love and amazing energy...we promise.
